

**Figure 4.4**

## **Are you Global? Analytic? Or Both?**

To help you determine whether you are predominantly global or analytic or a mixture of both styles, take the Global/Analytic Reading Styles Checklist. Parents or teachers may want to complete this checklist for children who are too young to do it themselves.

### **Global/Analytic Reading Styles Checklist** **Scoring Key:**

Strongly Analytic 9-10  
Moderately Analytic 6-8  
Somewhat Analytic 3-5  
Slightly Analytic 0-2

Strongly Global 9-10  
Moderately Global 6-8  
Somewhat Global 3-5  
Slightly Global 0-2

#### **Analytic People Often:**

- Recall what they hear
- Make decisions based on logic
- Recall facts and names
- Are good planners
- Like to work in highly organized environment
- Are very punctual
- Like to do one thing at a time
- Are meticulous about their work
- Learn when information is presented sequentially, step-by-step
- Speak with few gestures

#### **Global People Often:**

- Recall what they see, touch, feel
- Make decisions based on their emotions
- Recall visual images and faces
- Are spontaneous
- Like to work in a less organized environment
- May not be punctual - unless the event is very important
- Like to do many things at once
- Like to be creative
- Learn when information is presented in a story, especially with humor
- Speak with many gestures
